International Day of Giving - HOPE Worldwide does a world of good!

The organization we support each November is recognized as one of the top non-profit's by the Charity Navigator. But more than that the lives that are changed around the world is what makes Hope Worldwide special. In Cambodia since opening the hospital there more than 1 million patients have been treated. In places like the Philippines the first responders of benevolence are volunteers of Hope. Visit their site: www.hopeww.org

In the coming months consider the many ways we can let our light shine in the community: “Increasing the Odds”, Food Bank, Thanksgiving Baskets for needy

families, Mentoring and the International Day of Giving.

Blood Brother Outreach Opportunity December 1 at CalPoly Pomona campus

Disciples Today, in partnership with HOPE worldwide is offering a unique opportunity to use the award-winning movie Blood Brother as a powerful outreach event for your church.

Rocky Braat, a disciple from the Greater Pittsburgh Church of Christ, went to a remote village in India to volunteer in the HOPE worldwide orphanage for children who are HIV positive. BLOOD BROTHER is the award-winning documentary feature that traces Rocky’s story of service in the HOPE worldwide orphanage in India over the last five years.

The film, directed by Rocky’s longtime friend Steve Hoover, also a disciple in Pittsburgh, movingly illustrates the heart to serve these very special children and their families who face life and death situations on a daily basis. BLOOD BROTHER is not only a testament to the impact of selfless service but also an inspirational story about friendship, family and the healing power of love.
