Our church is a stewardship. It isn't about us. It's not even about our city anymore. The church in America is undergoing a transformation . . . and we're part of it. But to continue to be a church for people who don't go to church, we need to be fully engaged. We are serious about changing people's lives and families.

Discussion Questions:

Read Ephesians 3:10 in the NLV Discuss the ways God can use the church to display His plan.

- 1.) How have you connected, served, or given to the church in the past? Was it worth the time, energy, and resources you invested? Why or why not?
- 2.) Read John 1:45-46 Have you ever invited a friend to church? If so, talk about your experience. Was it anything like what Phillip experienced?
- 3.) When you think about connecting, serving, giving, or inviting, which appeals to you? Why? Which challenges you? Why?
- 4.) Read Acts 2:43-47 What example of relationships do you see in the first century church that inspires you?
- 5.) What step can you take this week to connect, serve, give, and invite? How can this group support you? Are you serving in the weekend service teams? What changes would you need to make to start serving?

MOVING FORWARD

If you feel any sense of ownership of what's happening at our church or if you want to feel a sense ownership, here's what you can do: connect in a group, serve on a team, give a percentage, and invite a friend.

CHANGING YOUR MIND

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another."
John 13:34-35
