## Side Effects

Rich people live in denial. They won't admit they're rich. No matter how much you have, someone always has more. But if you earn \$37,000 a year, you are in the top four percent of wage earners in the world. Most of us are rich. And one of the dangers of being rich is discontentment. The more you have, the more you want. Wealth has side effects. If you're rich, you're at risk. How do we avoid the pitfalls of wealth?

Every year, Lighthouse Church has the great privilege of giving Special Missions, which is an opportunity to financially support churches in Mexico and Central America. The truth is we are not only passionate about making a difference in our local community, but all over the world. So please pick up some raffle tickets to begin raising money as we are asking for members to give *eleven times* their weekly giving. Stop by one of our tables after service for more information!

**Discussion Questions**

1. How do you define "rich"? How much money does someone have to make in order to be considered wealthy?
2. When it comes to money and finances, what are your hopes, dreams, and goals?
3. In the message, Peter asked the question, "How much money would you need to secure your future against all imaginable eventualities?" What went through your mind?
4. Which of these statements creates more anxiety in you: "There is no God" or "There is no money"? Why?
5. **Read 1 Timothy 6:17** together as a group. How does this passage challenge your assumptions about wealth?
6. **Read Deuteronomy 8:10-18.** Wealth and God will always be in competition for your heart. How can you prevent your heart from leaving God?

**Moving Forward**

If you're wealthy, don't be arrogant. Be grateful. Don't lean on your wealth, but on the One who gave you your wealth. That way, you can have peace in your heart as well as money in the bank. Make this daily declaration a part of your life: "I will not place my trust in riches, but in him who richly provides." What is one thing you can do this week to begin to put your hope in God instead of your wealth?

**Changing Your Mind**

No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.  
**Matthew 6:24**
