Dollar Cost Living

For many of us, our problem isn't that we're not rich; our problem is that we don't feel rich. The desire to feel wealthy causes to place our hope in money instead of God. But the Bible describes a different way of thinking about and using our wealth. Can you remember a time when you gave money to someone in need and how it made you feel?

Every year, Lighthouse Church has the great privilege of giving Special Missions, which is an opportunity to financially support churches in Mexico and Central America. The truth is we are not only passionate about making a difference in our local community, but all over the world. So please pick up some raffle tickets to begin raising money as we are asking members to give *11 times* their weekly giving. Stop by one of our tables for more information!

Discussion Questions

1. The key to feeling rich isn't making a lot of money but having financial margin. Does that ring true to you? Why?
2. What is one thing that stands in the way of you being a percentage giver instead of a spontaneous giver? What is one thing you can do to overcome that obstacle?
3. What kinds of things could you and your church accomplish in your community if everyone became percentage givers?
4. What most excites you about giving money to help others?
5. **Read 1 Timothy 6:18** together as a group. What are ways that we can be rich in good deeds when our daily schedules are so filled with activity?
6. **Read Acts 2:42-47.** How do you think the early Christians practiced generosity and a willingness to share?

Moving Forward

To keep your hope from migrating, decide now to do more and give more. If God has blessed you with more than you need, it is so you can share your abundance with those in need. Do and give systematically. Can you imagine what would happen if everyone did that? What is one step you can take this week toward becoming a percentage giver rather than a spontaneous giver? How can this group help each other to be rich in good deeds and more generous?

Changing Your Mind

Tell them to use their money to do good. They should be rich in good works and generous to those in need, always being ready to share with others.
