Greater Gain

Generosity is the antidote to the dizzying effects of wealth while discontentment, fueled by our insatiable appetites for more, has the power to dilute our generosity. Awareness, however, when leveraged correctly, has the power to tame and redirect our discontentment. The greatest awareness is understanding God has given us the ability to be generous.

VBS 14

Can you believe it? Summer is just around the corner and so is our annual VBS program. All the information you need is right here! Mark your calendar!

Be Generous

Every year, Lighthouse Church has the great privilege of giving Special Missions, which is an opportunity to financially support churches in Mexico and Central America. The truth is we are not only passionate about changing lives in our local community, but impacting people all over the world. Also, this years giving will go towards a brand new children's facility! So, we need you to make these dreams a reality as we are asking members to give *10 times* their weekly giving. Thank you ahead of time for your generosity!

Moving Forward

Paul tells us that godliness with contentment is great gain. We need to understand that true awareness can ground our lives and help us grow in our generosity. As a result, generosity will produce joy in our hearts.

Changing Your Mind
