The Power of a Single Seed

Jesus' style of generosity was very different, which is one of the reasons why Christianity has survived for 2000 years. We see it in some people and it inspires us. While Christianity had none of the conventional strength needed to start a movement; its appeal, influence and duration can be traced to unexpected sources: generosity and compassion. If we as continue to sow seeds of generosity and compassion, it will insure that generations to come will hear the message.

VBS 2014

Summer is right around the corner and so is our annual VBS program. All the information you need is right here! Mark your calendar!

Be Generous

Every year, Lighthouse Church has the great privilege of giving Special Missions, which is an opportunity to financially support churches in Mexico and Central America. The truth is we are not only passionate about changing lives in our local community, but impacting people all over the world. Also, this years giving will go towards a brand new children's facility! So, we need you to help make these dreams a reality as we are asking members to give *10 times* their weekly giving. Thank you for your generosity!

Discussion Questions

1. How did the Romans practice generosity in the 1st/2nd Century? For what reasons did the Roman Empire turn to Christianity? Do you think it will attract people today?
2. **Read 1 Timothy 6:18.** What was Paul's command to rich people? How did Jesus define generosity? (Luke 6:33-35)
3. Generosity once changed the world. What would happen if we became known for inexplicable generosity again?
4. **Read Luke 8:1-3.** Why were the women who followed Jesus so generous? What has become of their seeds?
5. How did you feel when Peter mentioned the investment opportunities? How can we get an even better return on our investment when we consider eternity? What are some reasons we hold back from investing in Kingdom of God Stock? How can this group help you in this area?
6. Were you able to meet your personal goal for Special Missions? In light of the message, is there anything you can do for the rest of the summer to be generous?

Moving Forward

The hallmark of Christians in the first century was not their wealth because they had none. It was not their theology either. Their leverage was their inexplicable compassion and generosity.

Changing Your Mind

"Command them to do good, to be rich in good deeds, and to be generous and willing to share." **1 Timothy 6:18**
