Special Missions Continue to grow

Burn the Plows

We all have areas of our lives where we have settled. Areas where we've decided that "good enough" is good enough. But God hasn't called us as to merely survive the world, plodding along in our daily routine, waiting for the day we die. No, there's more to our existence than that. In part 1 of Greater, Mike talks about the greater life God calls us to, and the unconventional path we must follow to get there.

Did you miss last week's message? We got you covered. Just subscribe to our podcast, Lighthouse Church of Christ, and you can listen to any message from a past sermon series.

Special Update

Thank you so much to those who have already been so generous and have given to our Special Missions campaign. Since May 4, 2014 the Lighthouse Church has collectively given \$152,000! We also know that you may have not had the opportunity to give yet, so we will be collecting Special Missions through out the Summer as we are trying to reach our goal of \$190,000. We look forward to how God will use your generosity!

Discussion Questions

1. In the message, Mike says if you're going to have a greater life, you have to "burn your plow" meaning to make a break with whatever is keeping you stuck in your old life. What Plow is God calling you to burn?
2. What are your fears about burning your plows?
3. What do you see as the plus side of going on a trust journey with God, learning just enough today to take a step toward where He wants you to be tomorrow?
4. Read 1 Kings 19:19-21. Sometimes it helps to have a symbolic sign or ceremony of the change you're making, just as Elisha burned his plow. What sign or ceremony would help you mark the change you want to make in your life?
5. What might you *lose* if you *don't* burn your plow? What might you *gain* if you *do*?

Moving Forward

When God is speaking, one word is more than enough. He's more interested in your full obedience than your total understanding. Therefore, as you burn your plows this week, think about how the people in your group can participate in one another's plow-burning ceremonies.

Changing Your Mind

Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father.
