One Generation Away

Have you ever tried to make a photocopy of a photocopy? Maintaining the quality is always a problem. And it's happening in us the same way with every generation today. We're losing quality. We're losing faith. We're losing the power of the Gospel in us. We might be a generation away from losing it entirely, but we might also be a generation from changing the world. In this message, we take back the next generation.

Did you miss last week's message? We got you covered. Just subscribe to our podcast, Lighthouse Church of Christ, and you can listen to any message from a past sermon series.

Serving Opportunities

It's always a good time to be generous and that is why we have the following opportunities to get involved in serving others. There will be a table set up outside after service every Sunday if you would like more information:

Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully." And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

2 Corinthians 9:6-8

Let us sow generously and reap generously for God's glory.
