Don't Stop On 6

The Christian life is really great when things are going well. When prayers are answered and God's presence can be felt. But what about that other times? When it feels like our prayers are going unheard and our efforts aren't making a difference. It's in these times when our faith can take the biggest hit. We begin questioning God's purpose for our lives and doubt gains a foothold in our hearts. When will this season end? And what happens if we don't see our desired outcome? In the message "Don't Stop On 6," Mike explains God's purpose when we persevere through the process.

Did you miss last week's message? We got you covered. Just subscribe to our podcast, Lighthouse Church of Christ, and you can listen to any message from a past sermon series.

Special Missions Update

If you haven’t had a chance to give Special Missions yet, it can still be deposited online from now until July 1 with a username and password at <http://lighthouse.ccbchurch.com>

Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don’t give reluctantly or in response to pressure. “For God loves a person who gives cheerfully.” And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

2 Corinthians 9:6-8

Let us sow generously and reap generously for God’s glory!
