A Special Mission

Many people have this idea in their head that being a missionary means going to some foreign land to spread the good news about Jesus. How easy it is to forget that we are all somewhere that needs the good news about Jesus. We send money and fund missionaries *over there* because we have resources that they don't have. But one thing we both have in common is lost people who need God. Our mission, their mission, are one in the same: A Special Mission from Jesus to seek and save lost people.

Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully." And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

2 Corinthians 9:6-8

Let us sow generously and reap generously for God's glory.
