Season of Change

Seasons change and so do we. Many times we can resist change because we prefer that everything remains the same. God's creation is a constant reminder that change is right around the corner. He uses change to renew us and make us better as individuals and as a church. Today is an exciting day! After much prayer and discussion we have decided to redefine our Vision Statement as a church. This new vision will lay a foundation for renewal, in which every member can participate as they... 'Love God / Live Change / Light the Way.'

Did you miss last week's message? Don't worry, we got you covered. Just subscribe to our podcast on iTunes, Lighthouse Church of Christ, and you can listen to any message from a past sermon series.

Serve Others

There are many opportunities to serve the poor coming up as well as some great new projects planned. As a result, we are going to need some volunteers to help plan and lead them. So if you're motivated by Gods love and feel called to do more, please visit our HOPE table set up outside after service to see how you can get connected!
