## Fix The Flow

We all want a life filled with God's favor yet we all have schedules and calendars that are so full it can feel like there is no room for anything else. The reality is that even though our lives may feel full, often times our lives are still empty. Today we are going to talk about how to fix the flow of God's provision in our lives by returning everything to back Him. If we are praying over a perceived shortage in our lives then it's possible that the problem isn't God's supply; maybe it's our connection. The connection can be found in our fixed decision to trust God with our heart, time and money.

# SPECIAL MISSIONS

We believe that God blesses you so that you can be a blessing. This is why on **May 1** we're celebrating our Special Missions which is when we give generously to churches all over Latin America as well as supporting some needs in our church. We are praying and asking that you would give **Eleven Times** what you tithe every week. Please be praying for God to *let us sow generously and reap generously* for His glory. [You can give online at [lighthouse.ccbchurch.com](http://lighthouse.ccbchurch.com) with a user name and password].

# Discussion Questions

**Ice Breaker** Start your group discussion with a quick recap of your week. What is the best thing that happened this week? What is one thing that didn't go as planned?

- 1. Read Malachi 3:6-12.** Why was God's people under a curse? Do you ever feel like your resources are scarce, even when God is supposed to be more than enough for us? Talk about how that feeling affects your faith.
- God's people were under a curse because everything was flowing in their direction and very little was going up to God. How might that apply to us today? What is your hesitation with giving God a consistent tithe? Ask someone in the group who does tithe to share why it's so important to them.
- In the message, Peter talked about *fixed values*. What are some *fixed* things that you can count on to keep you connected to God? How can you increase the flow in your relationship with God?
- 4. Read 2 Timothy 3:1-5.** What was the source of the terrible times the Apostle Paul described? Is there any similarity in our society today? How can we *fix it* in this group? How can we *fix it* at home?
- 5. Read Matthew 14:15-21.** What is Jesus' solution to the shortage of food? The result was amazing! God longs to supply us with all our needs if we will begin and end with Him. What are some practical ways as a group we can fix the F.L.O.W. (Faith, Love, Obedience and Worship)?

## Change Your Mind

And my God will meet all your needs according to the riches of his glory in Christ Jesus. **Philippians 4:19**
