Today we are continuing our series we started last week on relationships, specifically how God wants to bring renewal as we prepare for a brand new season of community groups. Over and over again, through out the New Testament, God emphasizes the importance of *one another* relationships. However, the reality of the world we live in is that we DRIFT away from the very things we need in order to grow and be successful. Commitment is not enough. We must be connected because ultimately, life is better connected. That is what Re:Group is all about.

DISCUSSION QUESTIONS

1. Discuss what our lives would be like if we lived without walls of protection? Homes, rooms, work place...
2. **Read Nehemiah 1:1-11.** Why was the wall of Jerusalem so important for Nehemiah? Are there values or people in your life that you are willing to make big changes for? Share some with the group.
3. **Read Ecclesiastes 4:9-12.** In his message Peter talked about falling down and having no one help you up. Can you think of a time in your life when you felt that? What can we as a group do to insure that does not happen again?
4. What is your answer to the question: *Are you okay?* Have you given the members of this group permission to tell you what they notice in your life? What are some things that have broken down the group in the past (recent or distant)?
5. Discuss some examples of *group breakers* that need to be addressed. How can we as a group grow in see what we cannot see in ourselves as individuals?

Close your group with a time to pray with and for each other.

CHANGING YOUR MIND

Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up.

Ecclesiastes 4:9-10
